

*\*\*Survey and Interview amalgamated in this document.*

1. Was the user interface visually appealing?

Yes. Clear and easy to see.

2. Were the elements (buttons, boxes, writing) of the program easy to find/placed in logical positions?

Yes

3. How easy was it to navigate the program and complete the tasks?

yes

4. Was the program responsive/fast enough?

yes

5. How easy was it to understand what each button in the program does?

Easy. An edit to the Modify button to Modify/Add would be only improvement I think.

6. How useful were the pop-up messages in terms of the information they provided?

ample

7. How would you rate the overall experience (1 to 10)?

10/10

8. What (minor) changes would you make to this program?

Unsure at the moment. Would prefer to answer this after attempting a full roster.

As mentioned above an edit to the Modify button to Modify/Add would be only improvement I think. Label dropdown boxes.

Drop down list for entering times! (half hour increments)

9. Any other comments/feedback?

Well done Jules. Fantastic!
